Re: Pending Motion to Dismiss
Case No. 21-110-EL-REN

Dear Ms. Troupe:

On June 24, 2021, Carbon Solutions Group, LLC (“Carbon Solutions”) filed a motion to dismiss this matter without prejudice. The basis of this motion was that the applicant in this case was not represented by counsel. Subsequently, on June 29, 2021, counsel for the applicant, Wessington Springs Wind, LLC (“Wessington Springs Wind”), made an appearance, filed a notice of withdrawal of the application filed in this proceeding, and requested that this case be closed. Therefore, the Public Utilities Commission of Ohio need not consider Carbon Solutions’ June 24, 2021 pending motion to dismiss because Wessington Springs Wind is represented by counsel and the issue raised in the motion to dismiss is moot. Further, Wessington Springs Wind renews its request that this case be closed, without prejudice.

Very truly yours,

/s/ Michael J. Settineri
