

To Ohio Siting Board

My name is Kent W. Kiese.

Earlier, I gave testimony at the Ohio Siting Board to request to move 2 parcels that border the town of Miller City.

I've talked to some neighbors and people who live in the vicinity of Miller City.

We would like to have the parcels that border the town instead of the one that is south of State Route 613 and west of State Rt. 108.

These 2 parcels can be relocated to the Western edge of the project that will be continuous. It borders the Southern side of Norfolk and Western Railroad and Eastern side of Township Road 15-C. It will be next to 2 houses, but they are owners of 2 of these parcels who optioned their land for this project.

This change will give Miller City and additional area to expand and will help give Aesthetics look for the town.

I'm enclosing a map for
the 2 parcels to move and
the new proposed area.
Here are people who agree
with this move.

THANK YOU
