Re: Project Remediation – Crossroads Wind Power
Case Nos. 13-990-EL-BGN and 15-1921-EL-BGA

Dear Ms. Troupe:

On June 2, 2021, Crossroads Wind Power, LLC gave notice to the Ohio Power Siting Board that it was relinquishing the Certificate of Environmental Compatibility and Public Need issued in Case No. 13-0990-EL-BGN as amended in Case No. 15-1921-EL-BGA. At the request of the Ohio Power Siting Board Staff, Crossroads Wind Power, LLC is providing notice through this correspondence that the three project meteorological towers have been removed. In addition, Crossroads Wind Power, LLC has entered into an agreement with the owner of the property to leave in place the existing access roads that were constructed as part of the project. No further remediation or project decommissioning will be required.

Please call me with any questions.

Very truly yours,

/s/ Michael J. Settineri
