Subject: comment for 20-1680-EL-BGN
Date: Friday, July 23, 2021 7:38:57 AM

Members of the Ohio Power Siting Board,

I support the Yellow Wood Solar project. The property owner's rights should be considered above all else. There is so much misinformation floating around causing opposition. I implore you to make a decision on facts and not conjecture. The thousands it will generate for taxes for communities alone should be a forerunner in the decision.

Sincerely,
Don Young
