Term

- 3.1 This Agreement shall commence on the first Day of April 2020 or at such later date as is determined by the Commission and, subject to SCO Supplier's continued compliance with the requirements outlined herein and the applicable Tariff provisions, shall continue in effect thereafter for a term of twelve (12) months or longer by agreement of the Parties, unless terminated pursuant to the provisions of this Agreement, or for such other period of time as determined by the Commission. A material adverse affect would include any affect that impacts the financial bargain of the Party or the Party's ability to physically meet their responsibilities under this Agreement.
- 3.3 In the event of an Event of Default, as described in Article 10 of this Agreement, this Agreement may be terminated in accordance with the provisions of Article 12 of this Agreement. In the event of a termination pursuant to an Event of Default, all outstanding obligations of SCO Supplier and amounts due under the Agreement shall become due and payable. No termination or due course expiration of this Agreement shall relieve either Party from the obligations incurred by such Party prior to such termination or expiration.
- 3.4 The rights of either Party the obligations to make payment hereunder, and the obligation of either Party to indemnify the other pursuant hereto shall survive the termination of this Agreement.

ARTICLE 4

Requirements for SCO Supplier Participation

- 4.1 To participate in the SCO Program, SCO Supplier shall provide a copy of the certificate demonstrating that SCO Supplier is certified by the Commission to provide retail natural Gas service, and SCO Supplier shall

maintain such certification status and comply with all applicable provisions of the Tariff. SCO Supplier acknowledges that in its capacity as an SCO Supplier, it has a continuing responsibility to conduct its business in a legal and ethical manner, and it is responsible for complying with all applicable statutes, ordinances, rules and regulations.

- 4.2 As a further condition of participation in the SCO Program, SCO Supplier shall have a continuing obligation to meet the creditworthiness requirements established by CenterPoint in accordance with the terms of the SCO Program, which shall include, but not be limited to, an assessment by CenterPoint of SCO Supplier's ability to fulfill its Firm Delivery Obligations and to accept up to an additional 50% increase in its Firm Delivery Obligations and SCO Supply Rights (i) in the event of another SCO Supplier's default under the SCO Program or (ii) in the event non-defaulting Choice Suppliers do not assume all of the customers of a defaulting Choice Supplier under the Choice Program. Upon request by CenterPoint, SCO Supplier shall provide CenterPoint with the information necessary for CenterPoint to make that ongoing assessment, in CenterPoint's absolute and sole discretion. The provision of such information shall be governed by a Nondisclosure Agreement entered into by CenterPoint and SCO Supplier prior to the Auction.
- 4.3 In order for CenterPoint to complete and periodically reassess its financial evaluation as contemplated immediately above, SCO Supplier agrees to provide, upon request by CenterPoint, the following information and authorizations: 1) current audited financial statements (Annual Report, 10K or 10Q if available) for itself or its parent company prepared in the last twelve (12) months; 2) list of parent companies and affiliates; 3) names, addresses and phone numbers of three trade references; and 4) names, addresses and phone numbers of financial institution contacts, with authorization for those contacts to provide to CenterPoint information as to whether SCO Supplier is current on its payment obligations to such financial institution. CenterPoint may require additional information if the preceding is not sufficient to determine SCO Supplier's creditworthiness.
- 4.4 SCO Supplier shall immediately provide to CenterPoint notice of any change in the status of its Commission-issued certificate to provide retail natural Gas service in Ohio.
- 4.5 To ensure system reliability, SCO Supplier hereby grants to CenterPoint the right to nominate from storage, with notice to SCO Supplier, Gas volumes held in CenterPoint -released storage on behalf of SCO Supplier on any Day that SCO Supplier's confirmed delivery nominations would fail to meet its Firm Delivery Obligations to satisfy the SCO Supply Rights awarded under this Agreement. SCO Supplier hereby authorizes CenterPoint to provide directions to the storage system operator regarding the nomination of such Gas upon notice by CenterPoint to such operator that CenterPoint is exercising the rights granted to it hereunder with respect to such Gas hereunder. In the event such Gas is used, CenterPoint remains obligated to reflect the confirmed gas nominated by CenterPoint from the SCO Supplier's storage account on behalf of SCO Supplier, or withdrawn as a result of system demand via TCO No-Notice withdrawal, in the normal Monthly Statement process.
- 4.6 As more particularly set forth in Article 8 (below), and for so long as the Commission-approved Purchase of Receivable Program remains in effect, in connection with the SCO Program and the term of this Agreement shall not have expired or otherwise terminated, SCO Supplier shall be selling SCO Accounts Receivable to CenterPoint in exchange for the payment for those SCO Accounts Receivable.
- 4.7 If CenterPoint has reasonable grounds for insecurity regarding the performance of any obligation under

the Agreement, whether or not then due, by SCO Supplier, including, without limitation, the occurrence of a material change in the creditworthiness of SCO Supplier, CenterPoint may demand adequate assurance of performance in the form of Financial Assurance Obligations.

- 4.8 In addition to any other Financial Assurance Obligations, SCO Supplier shall be required to post sufficient collateral with CenterPoint to secure payment of the Default Fee on all volumes that the SCO Supplier is obligated to serve through the remaining term of this Agreement (the “Default Fee Collateral”). Such credit support shall be posted by SCO Supplier within ten (10) Days of approval of the SCO Auction by the Commission, and shall be in the form of a Letter of Credit.
- 4.9 SCO Supplier agrees that, in the Event of Default as defined in this Agreement, and in addition to any other rights and remedies CenterPoint may enjoy, CenterPoint shall have the right to liquidate and use the proceeds from any and all of SCO Supplier’s Financial Assurance Obligations to satisfy SCO Supplier’s obligations under the Agreement. The proceeds from such items shall be used to satisfy any outstanding claims that CenterPoint may have against SCO Supplier, including but not limited to, Gas costs, interstate pipeline capacity, commodity or fuel charges, imbalance charges, cash-out charges, pipeline penalty charges, reservation charges, and any other amounts owed to CenterPoint, or for which CenterPoint is or will be responsible, related to SCO Supplier’s participation in the SCO Program or the Choice Program.
- 4.10 CenterPoint further reserves the right to use SCO Supplier’s assets associated with the SCO Program, including without limitation SCO Accounts Receivable, DSS Revenues, and over-delivery imbalance volumes, to offset or recoup any costs owed to and/or incurred by CenterPoint resulting from an Event of Default by SCO Supplier under this Agreement.

ARTICLE 5

SCO Supplier’s Responsibilities

- 5.1 In exchange for the opportunity to participate in the Auction and to continue participation in the SCO Program, SCO Supplier agrees to accept the responsibilities described below.
- SCO Supplier acknowledges that the CenterPoint SCO Program is administered pursuant to CenterPoint’s business procedures (Operating and Billing Practices), which CenterPoint may amend from time to time with thirty (30) days advance notice via posting by CenterPoint on its website, and the most recent version of which is available from CenterPoint on its website. CenterPoint will provide sixty (60) days advance notice for any changes related to Electronic Data Interchange (EDI) file format changes. This provision and the SCO Supplier compliance with the posted Operating and Billing Practices shall not constitute a waiver by the SCO Supplier(s) of any of their rights to object or file a complaint related to these Practices with the Public Utilities Commission.
- 5.2 SCO Supplier agrees to deliver its Firm Delivery Obligations on a daily basis, in accordance with the DDQ. Such DDQ shall be based on the expected demands of the SCO Pool and the DSS Pool as adjusted for, among other things, operating constraints. SCO Supplier agrees to accept CenterPoint’s DDQ forecasting methodology.
- 5.4 In the event SCO Supplier discovers or determines that it may not be able to deliver its Firm Delivery Obligations, as required by this Agreement, it shall immediately provide notice by telephone, or electronic mail to CenterPoint of such potential failure.

- 5.5 If SCO Supplier fails to deliver its full Firm Delivery Obligations in accordance with its DDQ, CenterPoint shall administer and coordinate the measures necessary to cover to the extent of such under-delivery, including reliance on other SCO and Choice Suppliers to supply natural Gas temporarily to the affected SCO and DSS Pool Customers, and delivery of Gas by CenterPoint. SCO Supplier shall be responsible for all costs and charges associated with such event of under-delivery of its Firm Delivery Obligations, including but not limited to the Gas cost differential between the covered volumes at the SCO Price and the actual cost of Gas required to fully serve the SCO Supplier's SCO and DSS Pools. This includes, but is not limited to, any gas volumes purchased by CenterPoint to replace storage volumes of other SCO and Choice Suppliers who have temporarily provided Gas and volumes purchased at the city-gate by CenterPoint, due to SCO Supplier's under-delivery.
- 5.6 In the event that a supplier participating in the SCO Program defaults on its Firm Delivery Obligations and CenterPoint terminates the Defaulting Supplier's participation in the SCO Program, CenterPoint shall solicit, if CenterPoint deems necessary, volunteers from non-defaulting SCO Suppliers to serve the defaulted load at the initial SCO Price. In the event multiple non-defaulting SCO Suppliers agree to serve the defaulted load, that load shall be awarded in proportion to the number of tranches awarded the non-defaulting SCO Suppliers as a result of the Auction. In the event that SCO Suppliers are unwilling to serve the entire defaulted load, CenterPoint shall assign the defaulted load to non-defaulting SCO Suppliers to be served at the initial Auction SCO Price. The maximum increase in the share of the SCO Supply Rights originally awarded each non-defaulting SCO Supplier shall be 50%, *i.e.*, a non-defaulting supplier shall only be obligated to serve at most the equivalent of 1.5 times the SCO Supply Rights it was originally awarded in the Auction. Non-defaulting Suppliers may voluntarily provide more than 1.5 times the SCO Supply Rights originally awarded by the Auction, subject to CenterPoint approval. In conjunction with, and under the supervision of the Commission and its staff, CenterPoint shall conduct a supplemental Auction for any portion of the defaulted load that remains. CenterPoint shall use the defaulting SCO Supplier's Default Fee Collateral to pay the non-defaulting SCO Suppliers that serve the defaulted load in proportion to the SCO Pool volumes assigned to each such supplier. Such payment shall be made within five (5) Business Days of the date on which the funds become available to CenterPoint with no additional documentation required on the part of the SCO Supplier(s) serving the Defaulting SCO Supplier's load.
- 5.7 In the event of a default by another SCO Supplier or a Choice Supplier, Non-Defaulting SCO Supplier agrees that CenterPoint shall have the right to coordinate Provider of Last Resort needs using, if necessary, Non-Defaulting SCO Supplier's individual CenterPoint -released TCO storage inventory quantities. In such instance, CenterPoint will coordinate the replacement of the withdrawn storage inventory quantities at no cost to the Non-Defaulting SCO Supplier.

ARTICLE 6

Capacity Release and Recall Provisions

- 6.1 CenterPoint will release 100% of its interstate pipeline transportation and storage capacity to all SCO and Choice Suppliers. SCO Suppliers' acceptance of the release of this interstate capacity is a mandatory requirement in order for SCO Supplier to participate in the SCO Program. Capacity releases of CenterPoint interstate pipeline firm transportation and storage capacity to SCO Suppliers, or to any other entity, must

comply with relevant provisions of the pipeline's FERC tariff, and of the FERC's regulations.

- 6.2 CenterPoint will include the language listed below on capacity releases in order to provide CenterPoint with prompt access to the interstate transportation and storage capacity released:

TERM OF OBLIGATION IS TERM OF RELEASE.
- 6.4 SCO Supplier agrees to submit monthly Agency Agreements to TCO providing access to Supplier's storage inventory and nomination information in the manner required by CenterPoint.

ARTICLE 7

CenterPoint will render statements to SCO Supplier each Month by the twenty-fifth (25th) Day of the Month, for the prior Month's activity and will pay SCO Supplier for such activity less any charges owed by SCO Supplier to CenterPoint, no later than three (3) Business Days following the rendering of the applicable statement. In the event of any net amount due to CenterPoint under the applicable statement, SCO Supplier shall pay this net amount to CenterPoint within five (5) Business Days of its receipt of such statement.

- 8.2 Subject to the other terms and conditions set forth in this Article 8, CenterPoint agrees to purchase from SCO Supplier, and SCO Supplier agrees to sell to CenterPoint, SCO Accounts Receivable without discount during the term of this Agreement, and CenterPoint agrees to make such purchases on a daily basis during such term. Although the purchase price for SCO Accounts Receivable, in general, shall be owed by CenterPoint on the date such receivable came into existence, the actual payment by CenterPoint for such SCO Accounts Receivable shall be effected on a monthly basis consistent with the remittance schedule described in the immediately preceding paragraph.
- 8.3 CenterPoint and SCO Supplier intend that each purchase of a SCO Accounts Receivable by CenterPoint hereunder shall be regarded as a “true sale” of such SCO Accounts Receivable by SCO Supplier to CenterPoint. If, however, contrary to the mutual intent of the Parties, some or all such purchase and sale transactions are not properly characterized as “true sales” under applicable law, then, and to that extent, effective as of the date of this Agreement, SCO Supplier shall be deemed to have granted (and SCO Supplier does hereby grant) to CenterPoint a security interest in all of its right, title and interest in and to all of such SCO Accounts Receivable not deemed to be the subject of “true sales,” whether now owned and existing or hereafter acquired or arising, all Related Security and Collections with respect thereto and, to the extent not otherwise included in the foregoing, all proceeds of any and all of the foregoing, as security for the prompt and faithful performance by SCO Supplier of each and all of its obligations under this Agreement.
- 8.4 Notwithstanding anything contained in this Agreement to the contrary, CenterPoint shall have no obligation to purchase SCO Accounts Receivable hereunder (a) if the sale or the grant of a security interest in the SCO Accounts Receivable by SCO Supplier cannot be effectuated or transferred, as applicable, free and clear of any and all liens, security interests, claims, or other encumbrances; (b) if any person or entity shall successfully challenge CenterPoint’s right to purchase SCO Accounts Receivables or retain amounts collected from SCO Customers as a result of the sale of SCO Accounts Receivable hereunder, either before Commission or in Federal or State Court; (c) if SCO Supplier is no longer certified to supply natural Gas in Ohio or eligible to supply service on CenterPoint’s system; or (d) an Event of Default by SCO Supplier under Article 10 of this Agreement has occurred. In the event that CenterPoint shall purchase SCO Accounts Receivable, notwithstanding its lack of any obligation or duty to do so and irrespective of its knowledge, or lack thereof, of the existence of events or occurrences relieving it of such obligation or duty, CenterPoint, in any such instance, may upon written notice to SCO Supplier require SCO Supplier immediately to repurchase, in whole or in part, uncollected SCO Accounts Receivable previously purchased and paid for by CenterPoint hereunder, for the same amount paid by CenterPoint therefore.
- 8.4.1 CenterPoint agrees to purchase SCO Supplier’s SCO Accounts Receivable without discount during the term of this Agreement so long as CenterPoint has continuing authority pursuant to Commission entry to recovery of its uncollectible customer receivables. In the event such continuing authority is altered pursuant to Commission entry, CenterPoint will purchase SCO Accounts Receivable as of the effective date of Commission alteration of said continuing authority at a discount reflecting the unrecovered portion of the customer accounts receivable, which excludes Percentage of Income Payment Plan (PIPP) uncollectible customer receivables.
- 8.5 CenterPoint will calculate applicable state and local sales taxes and place those charges on SCO Customer bills. SCO Supplier, and not CenterPoint, shall be fully responsible for all Ohio sales tax deficiencies and audits regarding SCO Supplier’s sale of natural Gas to SCO Customers under the SCO Program. CenterPoint acknowledges that it is providing a billing service to the SCO Supplier in those situations where CenterPoint collects the sales tax and remits the same to SCO Supplier. SCO Supplier is

responsible for remitting such sales tax to the State of Ohio. SCO Supplier is also responsible for collecting and maintaining Ohio sales tax exemption certificates from those SCO Customers who are not required to pay the sales tax and communicating same to CenterPoint via EDI files. CenterPoint is, however, fully responsible for all Ohio tax deficiencies and audits regarding CenterPoint's charges related to the distribution of natural Gas to SCO Customers. To the fullest extent permitted by applicable law, SCO Supplier shall defend, indemnify, and hold CenterPoint harmless from any and all costs, claims, damages, fines, taxes and any penalties and interest thereon, relating in any way to (i) CenterPoint's reliance on information or directives provided by SCO Supplier to CenterPoint, or (ii) CenterPoint's collection or remittance or failure to collect or remit sales taxes on SCO Supplier's behalf, or (iii) the failure of SCO Supplier to satisfy its tax obligations related to the sale of natural Gas under the SCO Program. This indemnification obligation shall survive the termination or expiration of this Agreement.

- 8.6 CenterPoint shall be entitled to collect and retain from SCO Customers any and all late payment fees specified in the Tariff. CenterPoint reserves the right to adjust SCO Supplier's account with regard to purchases giving rise to SCO Accounts Receivable for up to twelve (12) months after the original billing date for any individual SCO Customer's bill at issue, for accounting or billing errors, SCO Customer billing disputes, or any other necessary or appropriate adjustments.
- 8.7 In furtherance of the "true sales" or the grants of the security interests contemplated by this Article 8, SCO Supplier hereby certifies and represents to CenterPoint that:
- a. SCO Supplier's correct legal name is as set forth in the introductory paragraph of this Agreement;
 - b. SCO Supplier is organized, validly existing and in good standing under the laws of the State of _____;
 - c. the SCO Accounts Receivables intended to be sold by SCO Supplier hereunder will be free and clear of any and all liens, security interests, claims, or other encumbrances; and
 - d. under applicable law, CenterPoint shall be, and hereby is, entitled to file one or more financing statements in those filing offices deemed necessary or appropriate by CenterPoint, naming SCO Supplier as debtor or seller and CenterPoint as secured party or buyer and describing the SCO Accounts Receivable, the Collections, and the Related Security as collateral.

ARTICLE 9

Offsets by CenterPoint

- 9.1 In the event of a default, CenterPoint may offset or recoup any and all amounts owed to it by Defaulting SCO Supplier including those amounts owed to non-defaulting SCO and Choice Suppliers for serving Defaulting SCO Supplier's SCO and DSS Pool demands, or for which it may be held responsible as a result of Defaulting SCO Supplier's participation in the SCO Program (collectively, the "Offset Amounts"), against and from any and all amounts payable by CenterPoint to Defaulting SCO Supplier under the Agreement, including without limitation any amounts payable by CenterPoint with respect to the SCO Accounts Receivable and DSS Sales Revenues. The Offset Amounts shall include without limitation: (1) all amounts being charged to Defaulting SCO Supplier as a result of its participation in this SCO Program, (2) all amounts owed directly to CenterPoint by Defaulting SCO Supplier, (3) all amounts for which CenterPoint is or may be held responsible if not paid by SCO Supplier, including

without limitation any and all capacity charges billed by interstate pipeline companies, and (4) all other amounts which CenterPoint is entitled to recoup. CenterPoint shall toll its offsetting or recoupment of such amounts out of the SCO Accounts Receivable and DSS Sales Revenues in the event that, and only to the extent that, Defaulting SCO Supplier raises a bona fide dispute as to whether it owes money to CenterPoint, pending a good faith review of the dispute. To toll that process, Defaulting SCO Supplier shall provide a detailed written description of the dispute, including disputed amounts, to CenterPoint. CenterPoint may withhold payment to Defaulting SCO Supplier of any SCO Accounts Receivable or DSS Sales Revenues related to said dispute until it has been resolved.

- 9.2 All charges or penalties related to operational balancing and other services provided by CenterPoint are specified in the Tariff.

ARTICLE 10

Default

- 10.1 Each of the following constitutes an Event of Default:
- a. The failure of SCO Supplier to deliver its Firm Delivery Obligations that has not been cured after two (2) Business Days following written notice from CenterPoint to cure such failure.
 - b. The failure of one Party to pay to the other Party amounts due under this Agreement on or before the Second Business Day following written notice that such payment is due.
 - c. The failure of SCO Supplier to meet or otherwise maintain the requirements for participating in the SCO Program, including without limitation the provision of any Financial Assurance Obligations, required from time to time pursuant to the Agreement.
 - d. A Party's voluntary filing of a bankruptcy petition, the filing of an involuntary bankruptcy petition by a Party's creditors, or having a receiver, provisional liquidator, conservator, custodian, trustee or other similar official appointed with respect to Party or substantially all of Party's assets.
 - e. A Cross Default.
 - f. To the extent not specifically identified above, the failure of a Party to perform, to a material extent, any of its obligations under the Agreement.
 - g. A material misrepresentation by one Party to the other Party in or pursuant to the Agreement.

ARTICLE 11

Title, Warranty, and Indemnity

- 11.1 With respect to the SCO Pool, SCO Supplier shall have responsibility for, and assume any liability with respect to, the Gas. With respect to the DSS Pool, SCO Supplier shall have responsibility for, and assume any liability with respect to, the Gas prior to its delivery to CenterPoint at the specified Delivery

Point(s). Subject to the exceptions set forth herein below, CenterPoint shall have responsibility for and any liability with respect to the distribution of said Gas after its delivery to CenterPoint at the Delivery Point(s).

- 11.2 SCO Supplier warrants that it will, at the time and place of delivery, have good right and title to all volumes of Gas delivered on its behalf. Except as provided in this Article 11 and in Article 19, all other warranties, express or implied, including any warranty of merchantability or fitness for any purpose with regard to the Gas are disclaimed.
- 11.3 SCO Suppliers agrees to indemnify CenterPoint and save it harmless from all losses, liabilities or claims including reasonable attorneys' fees and costs of court ("Claims"), from any and all persons, arising from or out of claims of title, personal injury or property damage from said Gas or other charges.
- 11.4 Notwithstanding the other provisions of this Article 11, as between SCO Supplier and CenterPoint, SCO Supplier will be liable for all Claims to the extent that such arise from the failure of Gas delivered by SCO Supplier to meet the quality requirements of the Receiving Transport Provider.

ARTICLE 12

Remedies

- 12.1 If an Event of Default occurs and is ongoing, the other Party (the "Non-Defaulting Party") may provide written or faxed notice to the Defaulting Party describing the Event of Default and declaring its intention to terminate this Agreement unless the Event of Default is remedied to the satisfaction of the Non-Defaulting Party within the following time period: (a) For an Event of Default consisting of a failure to deliver a Party's Firm Delivery Obligations or provide, in whole or in part, any Financial Assurance Obligation required from time to time by the Agreement, two (2) Business Days; (b) For all other Events of Default, five (5) Business Days. If the Defaulting Party remedies the Event of Default to the satisfaction of the Non-Defaulting Party within that period, then such notice shall be deemed to have been withdrawn and this Agreement shall continue in full force and effect. If the Defaulting Party fails to so remedy the Event of Default within that period of time, then, at the option of the Non-Defaulting Party, this Agreement may be terminated. This remedy of termination is and shall be without waiver of any other remedy, whether at law or in equity, to which the Non-Defaulting Party may be entitled for breach of this Agreement. SCO Supplier agrees that, in the Event of Default as defined in this Agreement, and in addition to any other rights and remedies CenterPoint may enjoy, CenterPoint shall have the right to liquidate and use the proceeds from any and all of SCO Supplier's Financial Assurance Obligations and Purchase of Receivables to satisfy SCO Supplier's obligations under the Agreement. In addition, upon the occurrence of an Event of Default, CenterPoint shall have the rights of an absolute owner of SCO Accounts Receivable purchased by CenterPoint hereunder or, as applicable, the rights of a secured party under Article 9 of the Uniform Commercial Code as is in effect in the State of Ohio with respect to the SCO Accounts Receivable, the Collections, and the Related Security.
- 12.2.1 To meet the gas supply requirements of CenterPoint's Ohio retail customers and thus help ensure adequate and reliable gas utility consumer services, and to avoid irreparable harm to CenterPoint or its retail customers, CenterPoint may recall permanently or temporarily all or some of its released capacity/service rights, if CenterPoint receives notice of material change(s) in creditworthiness of replacement shippers (Supplier and Supplier's Designee), including without limitation:

- (i) their nonpayment of Transporter's invoice relating to these released capacity/service rights;
- (ii) their past due, deficiency, or default status pursuant to Transporter's tariff; suspension of service; receipt of contract termination notice due to default or credit-related issues; receipt of notice that they are no longer creditworthy and have not provided credit alternative(s);
- (iii) an event of default having been declared under a Choice Supplier Pooling Agreement or a Standard Choice Offer Supplier Agreement with CenterPoint; or
- (iv) their noncompliance with CenterPoint's Tariff; or (v) their imminent or actual filing under bankruptcy laws.

12.3 In the event that, during the term of this Agreement, (i) SCO Supplier files a petition for relief under Federal bankruptcy laws, or (ii) SCO Supplier's creditors file an involuntary bankruptcy petition against SCO Supplier, or (iii) a receiver, provisional liquidator, conservator, custodian, trustee or other similar official is appointed with respect to SCO Supplier or substantially all of SCO Supplier's assets, and this Agreement has not been terminated for non-delivery of Gas supplies, then SCO Supplier shall cause a notice to be filed with the bankruptcy or other appropriate court having jurisdiction, within five (5) Days of the petition having been filed or the appointment having been made, as applicable, indicating its intention either to assume or reject this Agreement and shall promptly thereafter take all actions necessary to effectuate such assumption or rejection; provided, however, that nothing herein shall prohibit CenterPoint from objecting to such notice of assumption or rejection. To the fullest extent permitted by applicable law, SCO Supplier's failure to file such notice of intention within said five (5) Days shall constitute notice that SCO Supplier intends to reject this Agreement. SCO Supplier acknowledges that its failure to take action to declare its intent may cause irreparable harm to CenterPoint and/or SCO Customers.

12.4 If an Event of Default has occurred and is continuing, the Non-Defaulting Party shall have the right, by notice to the Defaulting Party, to designate a Day as an early termination date (the "Early Termination Date") for the liquidation and termination pursuant to Section 12.3.1 of all transactions under the Agreement.

12.4.1 As of the Early Termination Date, the Non-Defaulting Party shall determine, in good faith and in a commercially reasonable manner the amount owed (whether or not then due) by each Party with respect to all Gas delivered and received between the Parties on and before the Early Termination Date and all other applicable charges relating to such deliveries and receipts for which payment has not yet been made by the Party that owes such payment under this Agreement. In addition, the Non-Defaulting Party shall be entitled to collect from the Defaulting Party, all costs incurred (including but not limited to Transport Provider's capacity charges, fuel and demand charges, imbalance and cash out charges, Transport Provider penalties and reservation charges, and SCO Program charges) due to the termination and liquidation under this Section.

- (i) The Non-Defaulting Party shall net or aggregate, as appropriate, any and all amounts owing between the Parties under Section 12.4.1, so that all such amounts are netted or aggregated to a single liquidated amount payable by one Party to the other (the "Net Settlement Amount"). At its sole option and without prior notice to the Defaulting Party, the Non-Defaulting Party may setoff any Net Settlement Amount owed to the Non-Defaulting Party against any margin or other collateral held by it in connection with any Financial Assurance Obligations relating to the Agreement; or (ii) any Net Settlement Amount payable to the Defaulting Party against any amount(s) payable by the Defaulting Party to the Non-Defaulting Party under any other agreement or arrangement between the Parties.

12.4.2 If any obligation that is to be included in any netting, aggregation or setoff pursuant to Section 12.3.2 is unascertained, the Non-Defaulting Party may in good faith estimate that obligation and

net, aggregate or setoff, as applicable, in respect of the estimate, subject to the Non-Defaulting Party accounting to the Defaulting Party when the obligation is ascertained. Any amount not then due which is included in any netting, aggregation or setoff pursuant to Section 12.3.2 shall be discounted to net present value in a commercially reasonable manner determined by the Non-Defaulting Party.

- 12.5 As soon as practicable after a liquidation, notice shall be given by the Non-Defaulting Party to the Defaulting Party of the Net Settlement Amount, and whether the Net Settlement Amount is due to or due from the Non-Defaulting Party. The notice shall include a written statement explaining in reasonable detail the calculation of such amount, provided that failure to give such notice shall not affect the validity or enforceability of the liquidation or give rise to any claim by the Defaulting Party against the Non-Defaulting Party. The Net Settlement Amount shall be paid by the close of business on the second (2nd) Business Day following such notice, which date shall not be earlier than the Early Termination Date. Interest on any unpaid portion of the Net Settlement Amount shall accrue from the date due until the date of payment at a rate equal to the lower of (i) the then-effective prime rate of interest published under “Money Rates” by The Wall Street Journal, plus two percent per annum; or (ii) the maximum applicable lawful interest rate.

ARTICLE 13

Force Majeure

- 13.1 Except for actual delivered costs, plus shrinkage, of replacement supplies and flow through of penalty charges, if any, neither Party shall be liable in damages to the other for any act, omission, or circumstance occasioned by or in consequence of any acts of God, strikes, lockouts, acts of the public enemy, wars, blockades, insurrections, riots, epidemics, landslides, lightning, earthquake, fires, storms, floods, washouts, civil disturbances, explosions, breakage, or accident to machinery or lines of pipe, Gas curtailment imposed by interstate or intrastate pipelines, the binding order of any court or governmental authority which has been resisted in good faith by all reasonable legal means, and any other cause, whether of the kind herein enumerated or otherwise, not reasonably within the control of the Party claiming suspension and which by the exercise of due diligence such Party is unable to prevent or overcome. Failure to prevent or settle any strike or strikes shall not be considered to be a matter within the control of the Party claiming suspension.
- 13.2 Such causes or contingencies affecting the performance hereunder by either Party hereto, however, shall not relieve it of liability in the event of its concurring negligence or in the event of its failure to use due diligence to remedy the situation and to remove the cause in an adequate manner and with all reasonable dispatch, nor shall such causes or contingencies affecting such performance relieve SCO Supplier from its obligations to make payments of amounts due hereunder, including without limitation the provision of any Financial Assurance Obligations required under the Agreement.

ARTICLE 14

Customer Information and Data Requests

- 14.1 SCO Supplier agrees to use any customer information provided to SCO Supplier by CenterPoint pursuant

to SCO Supplier's participation in the SCO Program solely for the purpose of SCO Supplier's performance of its obligations pursuant to this Agreement and for the purpose of soliciting conversion of its SCO Pool Customers served pursuant to its SCO Supply Rights to SCO Supplier's competitive products offered by SCO Supplier in the CenterPoint market pursuant to the CenterPoint Choice Program. Further, SCO Supplier agrees not to disclose or permit to be disclosed the customer-specific information to any person other than those employees or agents of SCO Supplier who are responsible for soliciting customers and to limit use of such disclosed information by such employees or agents to those purposes stated herein. In the event SCO Supplier ceases to act as an SCO Supplier, said SCO Supplier shall, at the direction of CenterPoint, either return customer specific information to CenterPoint or destroy such customer specific information.

- 14.2 CenterPoint does not guarantee the accuracy of the customer information provided in response to SCO Supplier's request for a list of customers eligible to participate in the Choice Program, and shall not be liable for any errors in such information.
- 14.3 CenterPoint, at its discretion, may decline to provide SCO Supplier with any customer information or data of any kind that is not already provided by CenterPoint. Requests by SCO Supplier for additional information or data may be granted by Company at an agreed-upon fee to reimburse Company for any costs incurred in providing the information or data. Any type of data provided to any SCO Supplier may also be provided, upon request, to other SCO or Choice Suppliers.

ARTICLE 15

Limitations on Remedies and Damages

- 15.1 This Agreement is entered into solely for the benefit of CenterPoint and SCO Supplier and is not intended and should not be deemed to vest any rights, privileges or interests of any kind or nature in any third party, including, but not limited to the SCO Customers and DSS Customers that SCO Supplier supplies under this Agreement.
- 15.2 FOR BREACH OF ANY PROVISION FOR WHICH ONE OR MORE EXPRESS REMEDIES OR AN EXPRESS MEASURE OF DAMAGES IS PROVIDED, SUCH EXPRESS REMEDY OR REMEDIES OR MEASURE OF DAMAGES SHALL BE THE SOLE AND EXCLUSIVE REMED(IES). A PARTY'S LIABILITY HEREUNDER SHALL BE LIMITED AS SET FORTH IN SUCH PROVISION, AND ALL OTHER REMEDIES OR DAMAGES AT LAW OR IN EQUITY ARE WAIVED. IF NO REMEDY OR MEASURE OF DAMAGES IS EXPRESSLY PROVIDED HEREIN, A PARTY'S LIABILITY SHALL BE LIMITED TO DIRECT, ACTUAL DAMAGES ONLY. SUCH DIRECT ACTUAL DAMAGES SHALL BE THE SOLE AND EXCLUSIVE REMEDY, AND ALL OTHER REMEDIES OR DAMAGES AT LAW OR IN EQUITY ARE WAIVED. UNLESS EXPRESSLY HEREIN PROVIDED, NEITHER PARTY SHALL BE LIABLE FOR CONSEQUENTIAL, INCIDENTAL, PUNITIVE, EXEMPLARY OR INDIRECT DAMAGES, LOST PROFITS OR OTHER BUSINESS INTERRUPTION DAMAGES, BY STATUTE, IN TORT OR AGREEMENT, UNDER ANY INDEMNITY PROVISION OR OTHERWISE. IT IS THE INTENT OF THE PARTIES THAT THE LIMITATIONS HEREIN IMPOSED ON REMEDIES AND THE MEASURE OF DAMAGES BE WITHOUT REGARD TO THE CAUSE OR CAUSES RELATED THERETO, INCLUDING THE NEGLIGENCE OF ANY PARTY, WHETHER SUCH NEGLIGENCE BE SOLE, JOINT OR CONCURRENT, OR ACTIVE OR PASSIVE. TO THE EXTENT ANY DAMAGES REQUIRED TO BE PAID HEREUNDER ARE LIQUIDATED, THE PARTIES

ACKNOWLEDGE THAT THE DAMAGES ARE DIFFICULT OR IMPOSSIBLE TO DETERMINE, OR OTHERWISE OBTAINING AN ADEQUATE REMEDY IS INCONVENIENT AND THE DAMAGES CALCULATED HEREUNDER CONSTITUTE A REASONABLE APPROXIMATION OF THE HARM OR LOSS.

- 15.3 NOTWITHSTANDING ANYTHING CONTAINED IN THE IMMEDIATELY PRECEDING PARAGRAPH TO THE CONTRARY, THE FOREGOING LIMITATIONS ON REMEDIES AND/OR DAMAGES SHALL NOT APPLY TO ANY PROVISIONS OF THIS AGREEMENT EXPRESSLY SETTING FORTH A DIFFERENT RULE AS TO REMEDIES OR DAMAGES, AND UPON AN EVENT OF DEFAULT HEREUNDER, THE NON-DEFAULTING PARTY SHALL BE ENTITLED TO RECOVER FROM THE DEFAULTING PARTY ITS REASONABLE ATTORNEY'S FEE IN VINDICATING AND ENFORCING ITS RIGHTS HEREUNDER, WHETHER OR NOT LITIGATION IS COMMENCED.

ARTICLE 16

Succession and Assignment

- 16.1 This Agreement shall be binding upon and inure to the benefit of the successors and assigns of the respective parties hereto. However, SCO Supplier shall not assign this Agreement, in whole or in part, without the prior written approval of CenterPoint, which shall not be unreasonably withheld.

ARTICLE 17

Applicable Law and Regulations

- 17.1 The Agreement shall be construed under the laws of the State of Ohio and shall be subject to all valid applicable State, Federal and local laws, rules, orders, and regulations. Nothing herein shall be construed as divesting or attempting to divest any regulatory body of any of its rights, jurisdiction, powers or authority conferred by law. The Agreement is subject to the continuing jurisdiction of the Commission. In the event that there is a change in any law, rule or regulation that CenterPoint determines, in its sole and absolute discretion, materially affects the purpose of the Agreement or CenterPoint's ability to perform its obligations pursuant to the Agreement, the Parties agree to attempt to negotiate modifications to the Agreement for the purpose of minimizing or eliminating those impacts on CenterPoint. If the Parties are unable to agree to modifications to the Agreement within fourteen (14) Days of entering negotiations, CenterPoint shall have the right to terminate this Agreement.
- 17.2 All civil disputes between the Parties shall be filed in Franklin County, Ohio after administrative remedies have been exhausted.

1. For the purpose of this Agreement, unless the context indicates otherwise, the term "Confidential Information" means all information of the disclosing Party revealed, directly or indirectly, to the receiving Party, regardless of the form in which it appears, or under which it is communicated, all copies or recordings thereof (whether or not made in accordance with this Agreement) and the content of such information, including but not limited to, all descriptions, economic data, computer programs (not including source code) and models and the results thereof.

Pooling or Supply Agreements between Potential Supplier and CenterPoint. The Parties acknowledge that their Representatives will form and retain mental impressions based upon the Confidential Information disclosed to each Party and agree that it is not the intent of the Parties that the non-use restrictions contained in this Agreement will prevent these Representatives from performing their other work assignments for their respective employers. The receiving Party acknowledges that disclosure of the Confidential Information will be limited to the receiving Parties' Representatives and those Representatives will be informed by the receiving Party of the confidential nature of the Confidential Information and their obligation to keep it confidential in accordance with this Agreement. CenterPoint agrees to return Confidential Information provided to it, including all copies, by Potential Supplier if Potential Supplier does not become a supplier of natural gas to CenterPoint or CenterPoint's customers within the contemplation of this Agreement within fifteen (15) days request by Potential Supplier. CenterPoint may retain Confidential Information provided to it by Potential Supplier for the period of time Potential Supplier becomes an actual Supplier of natural gas pursuant to terms and conditions of a supporting Pooling or Supply Agreement between the Parties. In the event that a receiving Party has destroyed any copies, such receiving Party shall certify in writing to the other Party the occurrence of that action. Notwithstanding the foregoing, (i) the receiving Party shall not be obligated to return or destroy any documents created by it that may reflect or refer to Confidential Information; (ii) the receiving Party may create and retain an abstract describing the type of Confidential Information that it receives sufficient to document the nature and scope of the Parties' discussions under this Agreement; (iii) the receiving Party shall not be obligated to return or destroy any Confidential Information that the receiving Party is retaining pursuant to a document retention hold established in connection with any civil or criminal investigations or litigation, in which event the Confidential Information shall be retained by the receiving Party until such time as the document retention hold is no longer in effect, at which time the Confidential Information shall be returned to the disclosing Party or destroyed as aforesaid; and (iv) to the extent that receiving Party's computer back-up procedures create copies of the Confidential Information, the receiving Party may retain such copies in**

its archival or back-up computer storage for the period the receiving Party normally archives backed-up computer records. Any such documents or abstract so created will be retained subject to this Agreement until they are destroyed or erased.

 - b) is or becomes publicly available other than through the act or omission of the receiving Party or its Representatives;
 - c) rightfully becomes available to the receiving Party on a non-confidential basis from a third party source other than the disclosing Party or its Representatives, provided that such third party source is not bound by an accompanying confidentiality obligation to maintain the confidentiality of the information with the disclosing Party or its Representatives or is otherwise prohibited from transmitting such Confidential Information to the receiving Party or the receiving Party's Representatives by a contractual, legal, or fiduciary obligation; or
 - d) is independently developed by the receiving Party or any of its Affiliates without the use of or reliance upon the Confidential Information.
6. The Receiving Party or anyone to whom the receiving Party transmits such Confidential Information pursuant to the terms of this Agreement will not be deemed to have violated this Agreement if it is required to produce information hereunder if such production is in accordance with a request for information that cannot be legally avoided (i.e., a subpoena, oral questions, interrogatories, request for information or documents, civil or criminal investigative demand or similar process) or if such disclosure is necessary in order to obtain or maintain regulatory or governmental approvals, applications, or exemptions. In the event of the receipt of such a request, the Party required to produce the information will promptly provide notice of the request to the disclosing Party, to the extent that such notice is legally permissible and reasonably practicable, prior to disclosing such information, so that the disclosing Party may seek appropriate protective order and/or waive compliance with this Article. If, in the absence of a protective order or the receipt of waiver hereunder, a receiving Party is nonetheless legally compelled to disclose such information or needs to disclose such information in order to maintain regulatory or governmental approvals, it will exercise reasonable

and diligent efforts to maintain the confidentiality of any information required to be produced. Moreover, the Party receiving the request shall accommodate all reasonable efforts to preserve the confidentiality of the information that are made by the Party that provided the information.

7. The Parties acknowledge that the Confidential Information is valuable and unique and agree that there is no adequate remedy at law for any unauthorized use or disclosure of the Confidential Information in violation of the terms of this Agreement and that any such unauthorized use or disclosure will constitute irreparable harm and will entitle the non-disclosing Party to seek injunctive and other equitable relief. Such remedy shall be cumulative and in addition to all other remedies available.
