Re: Case# 21-0669-EL-BGN

Dear Mr. Butler,

Allow me to share with you our appreciation that South Branch Solar, a division of Leeward Renewable Energy, recently met with our organization and, in turn, made a financial donation to support homelessness in Hancock County. We appreciate businesses who are willing to make an investment in all aspects of the community. This financial stewardship and responsibility indicates to me, my CEO, our staff and other donors to believe that their commitment to improving lives in Hancock County is valid.

Thank you.
