T NAME:

YELLOW WOOD SOLAR

MENT:

Please reconsider putting solar here it  
will destroy the beauty and peace and quiet  
why I live here. I have lived here my entire  
life and what kept me here is the beauty of  
the tall green corn, straw bales in the fields, and  
rustling of beans. The deer, Canadian geese and  
birds are wonderful + we enjoy feeding them.  
Please help us save our life. I will be retiring.  
this affecting you mentally as far as + looked forward to enjoying this  
depression, loss of friends, neighbors, etc.? life.

e:

This solar has affected the way of my neighbors  
severely because they will be surrounded on all 4 sides  
I care about them like family. I fear we all  
will no longer have a source of water that our wells  
will be affected. This entire situation has been very  
stress caused great amount of stress + depression  
which we should not have to go thru. I could  
go on and on but please help us.
