YELLOW WOOD SOLAR

STATEMENT:

I've lived in peace and freedom
for years in my home. Made a place
of security for my autistic Grandchild who
I have full and permanent custody of. This
project has taken all her security, she has
social anxiety and a fear of strangers. She has
noise sensory issues and she's not going to be
able to live in her own home without her noise
cancelling headphones. How fair is that? All of her
How is this affecting you mentally as far as peace and security is gone.
stress, depression, loss of friends, neighbors, etc.?

I stay stressed trying to figure out what to do. I have

Cecelia is talking to the therapist about her anger
and fears. She is suffering from Depression and
