To Whom This May Concern,

I am respectfully requesting the Business Resources – Fiscal Division inlock the records in the PUCO Community for the 202 filing of the Annual Report & TRS for Smart Communication Holding (PUCO ID 90-6436).

Smart Communication Holding started with Compliance Solutions on April 1, 2021 and at that time we were told that their registration was still pending. As we are seeing that is not the case. We are in the compliance business and with that being said due to their last preparers negligence we (CSI) are set to bring Smart Communication Holding into compliance in OH, therefore we are requesting that you open the PUO Community so that we may filing the missing returns.

I am the contact person as well as Kathy Yakel for the company.
