Matthew,

I'm writing this so my name can be added to the opposition
to <http://dis.puc.state.oh.us/CaseRecord.aspx?CaseNo=17-2295>

I believe after reading Republic Wind's filing in support of their project, that most of the supporters they have listed live over 50 miles of where the proposed Wind Farm will be. In all fairness, Republic Wind should only ask the community members with whom it will directly affect. I never remember anyone from Republic Wind asking me for my opinion, but I would like to state that I am AGAINST this project for many reasons.

Thank you for your time,

Christine Vogt
