LEGAL NOTICE

Notice of Public Information Meeting for Proposed Major Utility Facility Wild Grains Solar, LLC schedules public information meeting for August 18, 2021 to outline plans for an up to 150 megawatt capacity ("MWac") solar-powered electric facility in Hoaglin Township, Van Wert County, Ohio. Wild Grains Solar, LLC ("Wild Grains") invites residents and other interested members of the public to participate in the public information meeting to outline plans to build the Wild Grains Solar Project in Hoaglin Township, Van Wert County, Ohio. Wild Grains is proposing to develop, construct, and operate an up to 150 MWac solar-powered electric facility in Hoaglin Township, Van Wert County, Ohio. The general purpose of the project is to maximize energy production from solar resources in order to deliver clean, renewable electricity to the regional transmission system to serve the needs of electric utilities and their customers. Wild Grains expects to file its application in September 2021. Construction of the project is planned to begin in the fourth quarter of 2022, with commercial operation fourth quarter 2023. Wild Grains has arranged for a public information meeting to be held on Wednesday August 18, 2021 from 6:00 p.m. to 8:00 p.m. at the Van Wert Fairgrounds located at 1055 S. Washington Street, Van Wert, Ohio 45891. The meeting format will be similar to an open house. Maps of the project area will be available to review. Company representatives will also be available to answer questions. Those who attend the meeting may write comments that Wild Grains will summarize and include in its application.
