Subject: In Support of Birch Solar Farm, Case No: 20-1605-EL-BGN

I am writing to express my support for the Birch solar project's application with the Ohio Power Siting Board.

I live in Shawnee township and I am excited about the prospect of clean energy being produced in my area. The land will no longer have chemicals sprayed on it or contribute to the pollution of our water. I am counting on the solar farm being a better steward of the land.

Thank you,
Terri Blosser
