APPLICANT’S MOTION FOR EXTENSION OF TIME

Pursuant to OAC Rules 101-7-14 and 102-5-11, Applicant Emuna Energy, LLC hereby moves the Public Utilities Commission for an order granting this motion for extension of time in order to file Applicant’s Renewal Application for Electric Aggregators/Power Brokers (the “Renewal Application”). This extension is needed for the reason that Applicant inadvertently failed to submit the Renewal Application at least thirty (30) days in advance of the expiration of the current Certificate, which is set to expire on September 8, 2021. The Applicant has submitted the Renewal Application as of even date herewith.

The motion is well-made and should be granted.

Respectfully submitted,
