Soccer youth tallies four goals in first game

Braxton Dunn, 7, scored four goals for his team — Goodwin's Family Restaurant — in the 6-8-year-old age category, on the way to a big win in the first game of the Logan Elm Youth Soccer Association season. Matches are held each Saturday morning at Crossroads Church on Tarlton Road.

Ohio State opens at Minnesota, backs new QB in ‘big moments’

BY DAVE CAMPBELL
AP Sports Writer

MINNEAPOLIS, Minn. — Ohio State has a new quarterback this fall, just like several other national title contenders.

For the fourth-ranked Buckeyes, this turnover — from NFL first-round draft pick Justin Fields to C.J. Stroud — could be as unobtrusive as anywhere in the country. Stroud has yet to attempt a college pass, a scenario the program has not experienced since 1952.

His teammates, however, saw all they needed to see over the last month in practice from the 6-foot-3, 215-pound second-year freshman.

“We’re just very excited for us to have him as our quarterback right now,” left tackle Nicholas Petit-Frere said. “He’s taken that job in full stride.”

With a quality, experienced Big Ten opponent waiting in Minnesota for Thursday night’s opener, not to mention 11th-ranked Oregon due for a visit on Sept. 11, Ohio State has no room to ease into the schedule. Coach Ryan Day recognized that by ramping up the intensity of preseason camp, a grind toughened further on some days by driving

rain or sweltering heat.

“There are certain guys that rise to the cream of the crop and come through in those big moments and kind of inspire the team to keep pushing forward even in hard moments,” Petit-Frere said. “C.J. did that almost every single time.”

Stroud, a consensus five-star recruit out of Southern California, wasn’t the starter until his junior year at Rancho Cucamonga High School. He appeared in three games last season of late-game relief for Fields, who was the 11th overall pick this spring by the Chicago Bears after a stellar two-year stay with the Buckeyes.

Alabama, Clemson, Notre Dame and Texas A&M — holding five of the top nine spots along with Ohio State in the first Associated Press poll — are also breaking in a new quarterback. Stroud’s debut comes against a Gophers team that returns about 90% of its primary starting lineup from 2020.

Minnesota also still has several key members of the 2019 squad that went 11-2 and was 10th in the final AP rankings, so this will be a legitimate first test for Stroud as he

takes over the offense for the four-time defending Big Ten champions.

“He has an edge. He wants to be really good. He’s very competitive,” said Day, who is 23-2 in two-plus seasons and 15-0 in conference play. “Now it’s time to go put it on the field.”

The Gophers, who went just 3-4 in 2020 while enduring scores of absences for COVID-19 protocols and major growing pains on defense, last beat Ohio State in 2000 when many of their players were not yet born. Those that were alive then as infants and toddlers have given Minnesota one of the most experienced teams in college football.

Running back Mo Ibrahim and quarterback Tanner Morgan will play behind an offensive line filled with super seniors, and Ibrahim and Morgan and Ibrahim are fifth-year players themselves.

“Guys are coming back for something bigger than themselves,” said coach P.J. Fleck, who’s starting his fifth season. “When they’re doing that, I think that’s a good sign of things to come.”

WELL-PROTECTED

The Buckeyes boast another imposing offen-

sive line, led by left guard Thayer Munford, a second team preseason Associated Press All-American. Petit-Frere has moved to left tackle, in light of the emergence of 6-foot-8, 360-pound Dawand Jones at right tackle.

“He makes you feel small,” tight end Jeremy Ruckert said, “but you feel safe next to him.”

MO MAKES THEM GO

Ibrahim was also a second team preseason AP All-American, a punishing ball carrier who’s poised to become the just the fourth 4,000-yard rusher in program history. He has 2,840 yards in 28 career games and is currently in ninth place on the all-time Gophers list.

“We definitely can’t have any arm tackles,” Ohio State linebacker Teradja Mitchell said. “We’ve got to wrap him up.”

TOUGH COVER

Stroud will have the benefit of throwing to wide receivers Chris Olave (first team) and Garrett Wilson (second team), both preseason All-Americans and widely considered the best tandem in the country. Fleck called them the best duo he’s ever seen or scouted.

“They’re all in sync,” he said. “It’s amazing.”

Notice of Public Information Meeting for Proposed Major Utility Facility

Scioto Farms Solar Project, LLC (“Scioto Farms Solar”) schedules public information meeting for September 14, 2021 to outline plans for an up to 110 megawatt (“MW”) solar-powered electric generating facility in Wayne Township, Pickaway County, Ohio.

Scioto Farms Solar invites residents and other interested members of the public to participate in the public information meeting to outline plans to build the Scioto Farms Solar Project in Wayne Township, Pickaway County, Ohio.

Scioto Farms Solar is proposing to develop, construct, and operate an up to 110 MW solar-powered electric generating facility in Wayne Township, Pickaway County, Ohio. The general purpose of the project is to maximize energy production from solar resources in order to deliver clean, renewable electricity to the regional transmission system to serve the needs of electric utilities and their customers. Scioto Farms Solar expects to file its application in December 2021. Construction of the project is planned to begin in the 4th quarter of 2022, with commercial operation in 2024.

Scioto Farms Solar has arranged for a public information meeting to be held on September 14, 2021 from 6:00pm to 8:00pm at the Hampton Inn, 1520 S. Court Street, Circleville, OH 43113. The meeting format will be similar to an open house. Maps of the project area will be available to review. Company representatives will also be available to answer questions. Those who attend the meeting may provide written comments that Scioto Farms Solar will summarize and include in its application.

LOCATION AND GENERAL LAYOUT

The general location and planned project layout of Scioto Farms Solar is shown on the map below:
