Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

I am writing in opposition of AEP's proposed rate increase. Such an increase would have a significant negative impact on residents and local school districts already dealing with a variety of financial and other hardships as a direct result of the pandemic. Please do not compound the issue by allowing for such a rate increase. Thank you!

Sincerely,
