**SUBJECT:** Ohio Power Company - Protest Rate Case

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

AEP proposing an increase with their KW charges from \$4.033 to \$7.01 is unacceptable. The City of Hilliard is a tax payer funded institution and we are opposed to this rate increase. This is almost double, causing a major budget issue for our utilities...funded by the tax payers.

Sincerely,

**Courtney Fleming**
