DOCKETING CASE #: 20-0585-EL-AIR

SUBJECT: Ohio Power Company - Protest Rate Case

"Proposed distribution hikes from AEP will be very detrimental to Ohio school districts. Let AEP and other large utilities eat into their profits if they need more money. The school children of Ohio have to go without while companies like AEP look for new ways to spend money. Let them tighten their belt like everyone else."

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.
