DOCKETING CASE #: 20-0585-EL-AIR

SUBJECT: Ohio Power Company - Protest Rate Case

3.5% is far beyond what is reasonable or necessary based on my understanding of the facts. I strongly encourage the PUCO to deny this and send it back to AEP unapproved. I say this as a consumer, business customer and even AEP stockholder.

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

Dear LYshanta,

Thank you for the response to my input regarding this proposed AEP increase. 3.5% is far beyond what is reasonable or necessary based on my understanding of the facts.

I strongly encourage the PUCO to deny this and send it back to AEP unapproved. I say this as a consumer, business customer and even AEP stockholder.

Case Number: 00720423

Dear Jerry Stewart:

Thank you for contacting the Public Utilities Commission of Ohio (PUCO) regarding Ohio Power Company (AEP) and its application to increase its rates.

The PUCO is responsible for ensuring that utilities across the state provide safe and reliable services. Great care is taken to review the utilities' financial records to make certain that the rates set do not result in the over-collection of revenue.

On June 8, 2020, AEP filed an application to increase its annual revenue in the amount of approximately \$42 million, or 3.5% of their average annual total revenue. The PUCO staff has investigated the facts and issues in the company's application and prepared a staff report, as well as held a public hearing on February 8, 2021. The PUCO will fully examine all issues and evidence presented before it comes to a decision in this case.

The company's application and all related documents are available at www.PUCO.ohio.gov, case no. 20-0585-EL-AIR. Click on the link to "Docketing information System" (DIS). You can then enter the case number in the "Case Lookup" search field. Additionally, I have filed your comments in the case docket; as a result, your comments will form a permanent part of the record.

Should you have any additional utility-related questions, please do not hesitate to contact the PUCO Call Center at (800) 686-PUCO (7826) or visit our website at www.PUCO.ohio.gov.

Sincerely,
