**SUBJECT:** Ohio Power Company - Rates & Tariffs

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

Our school district is a tax-payer-funded institution and we are opposed to this rate increase. The increase in rate will significantly increase our budgetary requirements for operation as opposed to spending this money on the education of our students.

Sincerely,

**Jermeki Knox**
