Subject: In Support of Birch Solar Farm, Case No: 20-1605-EL-BGN

I am writing to express my support for the Birch solar project's application with the Ohio Power Siting Board.

[Insert your reasons for supporting the project here. A few things you might mention – protecting local farmers' property rights and livelihoods; providing clean energy for Ohio; strengthening the local economy with increased annual revenue; attracting major business to our area; Lightsource bp's commitment to listening and working with community members. Whatever's important to you.] Stephen Owen, Jackson Ohio
