---

I am for the Yellowwood Solar Project. I am a retired USAF veteran and came home after discharge to work on the family farm. The farm is a Century farm that has been in the family since the 1890's and our participation in the project will allow us to keep the family farm into the future. It will also benefit Clinton County and the surrounding communities by providing funds for education, emergency and veteran service, and infrastructure improvements.

Thank you

Donald Howard
