Re: *In the Matter of the 2020 Review of the Delivery Capital Recovery Rider of Ohio Edison Company, The Cleveland Electric Illuminating Company and The Toledo Edison Company*, PUCO Case No. 20-1629-EL-RDR

Dear Ms. Troupe:

The Ohio Cable Telecommunications Association (“OCTA”) has intervened and timely filed initial comments in the above-referenced proceeding. The OCTA will not be filing reply comments because the OCTA previously addressed the issue discussed by the FirstEnergy Ohio Utilities in their October 4, 2021 comments regarding the excess accumulated deferred income tax (“EDIT”) balances used. The OCTA’s position on the EDIT issue remains as stated earlier in this proceeding and in the prior pending audit proceeding related to the FirstEnergy Ohio Utilities’ Delivery Capital Recovery Rider.¹ The OCTA urges the Commission to resolve the EDIT issue as recommended by the auditor and the OCTA. In addition, the Commission should require, in the next pole attachment rate adjustment filings, the return of the overcharges in the pole rates as found and recommended by the auditor since the FirstEnergy Ohio Utilities did not contest or object to that issue in their initial comments.

Very truly yours,

Gretchen L. Petrucci
