EXPEDITED RULING REQUESTED

1

Companies and intervenors. The reasons for this request are set forth more fully in the accompanying memorandum in support.

Pursuant to Ohio Adm.Code 4901-1-12(C), the Companies request an expedited ruling on this Motion. Following an intervenor's expressed interest in an extension, counsel for the Companies contacted all parties on Friday, October 15, 2021, to inform them that the Companies would request this extension and seek an expedited ruling. The Companies inquired whether any party would object to the relief requested or expedited treatment. The Companies certify each party has indicated they do not have any objection to this motion or to expedited consideration of the motion.

WHEREFORE, the Companies respectfully request that the case schedule be modified as set forth in this Motion.

Respectfully submitted,

/s/ N. Trevor Alexander

**MEMORANDUM IN SUPPORT OF
MOTION FOR 14-DAY EXTENSION OF THE REMAINING CASE SCHEDULE**

On August 9, 2021, the Attorney Examiner issued an Entry in the above-captioned dockets establishing the most recent procedural schedule, which rescheduled the hearing for November 29, 2021, and extended the deadline for filing supplemental intervenor testimony to October 18, 2021. Pursuant to Rule 4901-1-13, there is good cause to move all remaining scheduled dates for fourteen (14) days.

The Companies have previously communicated to the Commission their intention to actively pursue settlement discussions. The Companies have filed reports regarding those discussions on September 1, 2021 and most recently on October 1, 2021. Those settlement discussions continue. Accordingly, the Companies believe a 14-day extension of time would be appropriate to allow those discussions to continue.

By granting this Motion, the Commission will provide an opportunity for the parties to resolve the contested issues in these cases without having to put the Commission, its Staff, and all other parties through preparation for an evidentiary hearing that may be unnecessary. Specifically, the parties wish to avoid requiring intervenors to prepare and submit supplemental testimony on October 18, 2021.¹ Granting this Motion will benefit all parties by providing a meaningful opportunity to resolve these matters through settlement and negotiation.

Finally, pursuant to Ohio Adm.Code 4901-1-12(C), the Companies request an expedited ruling on this Motion. Accordingly, pursuant to Rules 4901-1-12 and 4901-1-13 of the Ohio Administrative Code, the Companies respectfully request a 14-day extension of the case schedule.

¹ The Companies reserve their rights to challenge supplemental intervenor testimony on any available grounds.

Respectfully submitted,

/s/ N. Trevor Alexander
