Date: Wednesday, October 20, 2021 12:07:02 PM

Members of the OPSB,

Ohio should be a leader in renewable energy and solar projects allow us to do this. Solar energy is the energy of the future and it helps us ensure a safe and clean future for our children. By approving more solar projects the OPSB and county commission can take an important step to protect our environment.

Sincerely,
Dan Bartels

5860 Rutledge Trail
Liberty Twp, OH 45011
United States
