RE: Case No. 21-341-EL-CSS

Dear Ms. Troupe,

On October 20, 2021, testimony on behalf of Eligo Energy OH, LLC (Eligo) was electronically filed in the above-captioned proceeding. It has come to our attention that due to a technical error, an older distribution list was utilized and Complainant was served with the filing rather than Complainant's recently retained counsel, Judith Lamusga.

Attached is a Corrected Certificate of Service to reflect the new service date and the service of the document on Ms. Lamusga and the removal of Complainant. As indicated in the certificate of service and pursuant to Ohio Adm. Code 4901-1-05, Complainant's counsel of record would have been served by the Commission's e-filing service if counsel electronically subscribed to the case. Nevertheless, given that the testimony deadline was established by the Commission by Entry issued on July 30, 2021, the testimony was published on the public docket card on the due date, and the testimony was received by Complainant, no party will be prejudiced by the technical correction and corrected certificate of service.

Please do not hesitate to contact me if there are any questions.

Sincerely,

Kimberly W. Bojko
