To whom it may concern,

My name is Dianne Myers and I reside at 1755 Shawnee Rd., #600, Lima Oh 45805

I am writing to voice my grave concerns over the solar field that Birch Solar is attempting to erect just a few miles from where I live. I have done quite a bit of research on solar fields as I wanted to make an informed decision. While I do believe solar fields have their place in the energy arena, I do not believe they belong any where near residential areas. Birch Solar is attempting to install their solar field in a residential area. I am totally against this and hope it is not allowed. Please help us!

Thank you,
Dianne Myers
