RE: Case Number 21-1120-TP-ATA, Notice of Withdrawal of Tariff Filing

On November 1, 2021, Consolidated Communications of Ohio Company, LLC submitted a tariff filing in Tariff Docket 90-5033-TP-TRP, Case Number 21-1120-TP-ATA, to limit the Federal Lifeline voice credit amount to customers residing in certain census blocks where there is only one Lifeline provider in the census block as required by the Federal Communications Commission's (FCC) 2016 Lifeline Modernization Order. This filing was to become effective December 1, 2021.

On November 5, 2021, the FCC issued an order to pause the phase-down of the Lifeline voice only support for one year. As a result, the tariff changes that were filed are no longer needed and we respectfully request a withdrawal of the tariff filing made on November 1, 2021 .

Sincerely,
