**Re: Notice of Assignment of Josco Energy USA, LLC Customer Contracts to Median Energy Corp.**

Dear Sir or Madam

Pursuant to O.A.C. 4901:1-29-10(D), please accept this letter as notice by Josco Energy USA, LLC (Certificate No. 16-553G) ("Josco"), that Josco will be assigning 33 residential natural gas supply customer contracts to Median Energy Corp. (Certificate No. 17-587G) ("Median"). All of these customers are located in the service territory of CenterPoint Energy/ Vectren Energy Delivery of Ohio.

All the affected 33 customers have been provided with notice of the assignment. Attached hereto is a copy of the notice letter that was sent to each of the 33 customers on November 2, 2021.

The assignment will be effective following the next customer read date. The assignment will be seamless for customers. Median will assume Josco's contracts as they stand and accordingly, customers will experience no change in terms or conditions for the duration of their contracts. Josco does not apply fees for customers who leave prior to the end of their contract, and Median will honor this provision as well.

Should you have any questions or require any additional information, please feel free to contact me.

Respectfully submitted,

Marc Reichmann

Dear Customer,

While it has been a privilege to supply your natural gas, I am writing to inform you that Josco Energy USA, LLC ("Josco") will no longer be providing your natural gas supply service after your next meter read date. Josco has entered into an agreement with Median Energy Corp. under which Josco's customer contracts will be assigned to Median Energy Corp.

Median Energy Corp. will take over your service contract and will continue to honor Josco's terms and conditions for your natural gas supply service, including all promotions and cash back rewards. The transfer of your service to Median Energy Corp. does not require you to do anything – it will take place seamlessly and without any disruption in service. Median Energy Corp. will be notifying CenterPoint Energy of this assignment, and CenterPoint will continue to read your meter, issue your bill, and respond to emergencies and outages. The bill you receive from Centerpoint will reflect Josco's charges to you up until Josco's last date of service to you, and then will reflect Median's charges to you starting with its first date of service to you.

Median Energy Corp. is an established natural gas supplier that is certified by the Public Utilities Commission of Ohio to provide natural gas supply service to Ohio customers. More information about Median Energy Corp., is available at [www.medianenergy.com](http://www.medianenergy.com). Should you have any questions or concerns about this transition, you can contact Josco at (877) 955-6726 or Median Energy Corp. at (888) 316-5443. Thank you again for the opportunity to have served you.
