Subject: Case # OH3238015224D

Greetings Your Honor,

I have looked more into my case by searching for the proof of sending the paperwork to update the system of my medical exam. Unfortunately, the bank that I sent the documents from closed down that branch 3-4 months ago and they don't have access to the fax machine. However, I do have the bank consultant's contact information that had sent it to secretary of state so he can serve as a witness to this case.

His name is Erik Saloms

Let me know if there is anything else that I can assist with,
