---

Members of the OPSB,

I urge the OPSB and commissioners to approve more solar projects in Ohio. Solar projects bring many benefits to the communities they are built-in including monetary investments in schools, businesses, and infrastructure. They also help protect future generations by protecting the environment. Please bring more solar energy to our communities.

Sincerely,  
John Elliott

444 Port William Rd  
WILMINGTON, OH 45177
