**DOCKETING CASE #:** 20-1651-EL-AIR

**SUBJECT:** Dayton Power & Light Company - Protest Rate Case

"I am AGAINST any rate increase for AES.  
I am sitting in the dark because once again I have no electricity.  
My latest AES billing delivery \$76.24, supply \$80.37.  
I don't understand why this request is even being considered.  
There was an article in the Dayton Daily news about the signed agreement for a rate freeze. Why is this agreement not being honored?  
The PUCO needs to protect Ohio consumers and stop all these unreasonable request from utility companies.

NO RATE INCREASE."

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. Case Number: 00733602

Dear Jackie Vaught:

Thank you for contacting the Public Utilities Commission of Ohio (PUCO) regarding The Dayton Power and Light Company's (Dayton Power and Light) distribution rate case.

The PUCO is responsible for ensuring that utilities across the state provide safe and reliable services. The PUCO takes great care to review the utilities' financial records to ensure that the rates set do not result in the over-collection of revenue.

On November 30, 2020, Dayton Power and Light requested a revenue increase of \$120.8 million. In their application they state that the rates for electric distribution that were last approved by the Public Utilities Commission in 2015 are insufficient to yield reasonable compensation for the electric distribution service rendered by them.

The PUCO staff is in the process of investigating the facts and issues in the company's application, preparing a staff report, and scheduling a local public hearing.

The company's application and all related documents are available at [www.PUCO.ohio.gov](http://www.PUCO.ohio.gov), Case No. 20-1651-EL-AIR. Click on the link to "Docketing information System" (DIS). You can then enter the case number in the "Case Lookup" search field. Additionally, I have filed your comments in the case docket; as a result, your comments will form a permanent part of the record.

Should you have any additional utility-related questions, please do not hesitate to contact the PUCO Call Center at (800) 686-PUCO (7826) or visit our website at [www.PUCO.ohio.gov](http://www.PUCO.ohio.gov).

Sincerely,

**Robert Rumsey**
