**COMMENTS OF TELRITE CORPORATION D/B/A LIFE WIRELESS  
IN RESPONSE TO THE COMMISSION'S NOVEMBER 3, 2021 ORDER**

COMES NOW Telrite Corporation d/b/a Life Wireless ("Telrite" or the "Company") and files these Comments in response to the Public Utilities Commission of Ohio's ("Commission") November 3, 2021 Order requesting that Telrite submit comments by November 23, 2021 regarding its willingness and ability to continue to serve eligible Lifeline subscribers, providing the federal discount, within its service territory if AT&T Ohio ("AT&T") is permitted to relinquish its eligible telecommunications carrier ("ETC") status in its remaining service area in Ohio.

Telrite was originally granted ETC status by the Commission on May 15, 2013 throughout non-rural Ohio service areas designated in its application in Case No. 13-173-TP-UNC. It is Telrite's intent to continue to make available its Lifeline service with the federal discount to its current subscribers and all qualifying applicants that it is able to serve. As disclosed in its original application, Telrite offers Lifeline service primarily through the resale of facilities-based wireless carriers' services and facilities. Its underlying providers are AT&T Wireless and PWG Network Solutions.

Telrite currently intends to continue to offer Lifeline service to qualifying subscribers throughout its service territory in Ohio.

Respectfully submitted this 19<sup>th</sup> day of November 2021.

/s/ Susan J. Berlin
