SUBJECT: Dayton Power & Light Company - Protest Rate Case

Please docket the associated customer comment "I completely disagree with the rate increase. My house is fully ran off of eclectic and such increase could potentially take food away from my children due to potential future hardship. I'm begging that this does not get approved for mine and many other families sake" in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally.
