Re: *In re Ohio Gas Company*,  
Case No. 21-583-GA-ATA

Dear Secretary Troupe:

On May 20, 2021, the Ohio Gas Company (Company) filed an application (Company's Application) in this proceeding to amend its rules and regulations to incorporate tariff changes in response to the increase in renewable natural gas in the Company's distribution system.

Staff filed Comments in response to the Company's Application on September 21, 2021. On November 26, 2021, the Company filed Revised Proposed Tariff Provisions which address several of Staff's comments. Further, the Company explained to Staff its reasoning for not addressing Staff's remaining comments.

Staff supports the Company's tariff changes contained in the Company's Application, as amended by the Company's Revised Proposed Tariff Provisions.

Respectfully submitted,

/s/ Thomas M. Shepard
