RE: Chipmunk Solar Public Information Meeting

Dear Salutation,

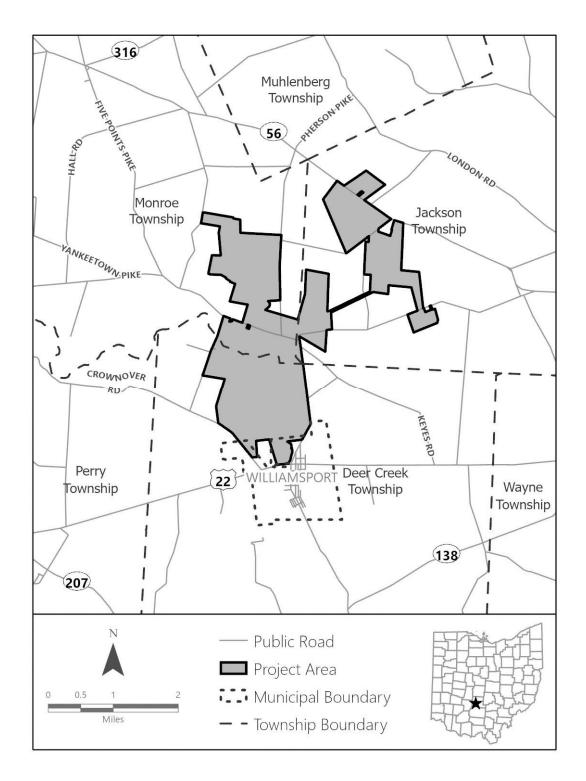

We hope this letter finds you and your family healthy and well. We are contacting you to invite you to a Public Information Meeting for the Chipmunk Solar Project, which will be held on Tuesday, December 7, 2021 at the Deer Creek Lodge, 22300 State Park Road 20, Mt. Sterling, Ohio 43143 from 6:00 – 8:00 p.m. The Public Information Meeting will be an open house format. Representatives from the Project, including various subject matter experts, will be available for one-on-one conversation. In addition, Staff from the Ohio Power Siting Board (OPSB) will be present to answer questions about the OPSB permitting process. Information about the Project developer, facility location, construction process, and environmental studies will be provided at various stations throughout the meeting room. Written comments from the public will be collected at the meeting and taken into consideration in the preparation of the application to the OPSB.

About the Project

The Chipmunk Solar Project is a proposed up to 400 megawatt (MW) solar energy project under development in Deer Creek, Jackson, and Monroe Townships in Pickaway County. The Project will maximize energy production from solar resources to deliver clean, renewable electricity to the regional transmission system to serve the needs of electric utilities and their customers. The Project is being developed by Chipmunk Solar LLC, a subsidiary of EDF Renewables. A map of the Project is provided below.

6605 Longshore Street, Suite 240 Dublin, OH 43017

Virtual Open House

Chipmunk Solar is also holding a virtual open house on Wednesday, December 1, 2021 from 6:00 - 7:30 p.m. Details on how to participate in this virtual open house are available here:

- Toll-free number for public participation: 833-380-0714
- Visual presentation online: EDFRenewablesVirtualMeeting.com

The virtual open house will include a brief presentation about the Project, followed by a questionand-answer session. Participants will be able to send in questions during the virtual meeting through the chat window on the web meeting platform.

Ohio Power Siting Board Process

Under Ohio Law, electric generating facilities capable of producing 50 MW or more must apply for a Certificate of Environmental Compatibility and Public Need from the Ohio Power Siting Board (OPSB). The OPSB provides for a single unified process by which facilities can obtain a certificate to operate.

Generally speaking, the OPSB process includes a public information meeting, submittal of certificate application, 60-day staff completeness review, application acceptance, OPSB staff review and recommendation, public hearing, adjudicatory hearing, and certificate issuance or denial. There are various avenues for public participation throughout the permitting process. This includes commenting on the docket, attending public hearings, and more.

As required by the OPSB, property owners and tenants receiving this letter will also receive written notice of the public hearing. In addition, you can sign up to receive electronic notification directly from the OPSB, by either subscribing to OPSB news releases, or subscribing to the OPSB case at dis.puc.state.oh.us. The case number for the Project will be available at the Public Information Meeting and will be published on the OPSB website.

You are also welcome to contact the OPSB directly for more information at:

Ohio Power Siting Board 180 E Broad St Columbus, OH 43215 Phone: (866) 270-6772 opsb.ohio.gov contactopsb@puco.ohio.gov

We look forward to introducing the Chipmunk Solar Project to you and your community. Should you have any additional questions or wish to speak to a member of our staff, please contact us by emailing chipmunksolar@edf-re.com or calling us at: 800.818.5759.

Sincerely,

The Game is a game again for No. 2 Ohio St, No. 6 Michigan

ANN ARBOR, Mich. — The Same is going to be a game again, or at least that appears to the case before No. 2 Ohio State plays No. 6 Michi-

The Buckeves (10-1, 8-0 Big Ten, No. 2 CFP) are favored to win Saturday at the Big House by about a touchdown, according to FanDuel Sports-

That spread is a relative

That spread is a relative sign of respect for the Wol-verines (10-1, 7-1, No. 5 CFP) based on recent results of the lopsided series. Ohio State has won a school-record eight straight, one short of the series mark Michigan set from 1901-09, and 15 of the last 16 games. The last two times they met, the Buckeyes beat the

Scarlet streaks

Scarlet streaks
Ohio State has won 26
straight Big Ten games, a
streak that trails only the
school's 30-game run from
2012-15 in Big Ten history,
since losing Oct. 20, 2018, at
Purdue. The Buckeyes have
also won 21 games in a row
over ranked Big Ten teams.
Those who stay

Those who stay Michigan defensive end Aidan Hutchinson returned Aidan Hutchinson returned for his senior season, putting his NFL dreams on hold in large part to get another shot at beating the Buckeyes. "This is why I came back," he said. "For this team and to host Obio State. This hos

Injury report

Harbaugh hopes to have
to key players back in
the lineup, but he wasn't
interested in tipping off
Ohio State with much of
an update. Running back Blake Corum and defensive Blake Corum and detensive back Gemon Green have missed two-plus games with injuries. Corum, who is averaging 6 yards a carry, has run for 778 yards and 10 touchdowns. Green has one of his team's seven intercentions

NOTICE OF PUBLIC INFORMATION MEETING FOR PROPOSED MAJOR UTILITY FACILITY

Chipmunk Solar LLC ("Chipmunk Solar"), a subsidiary of EDF Renewables, has scheduled a Public Information Meeting for Tuesday, December 7, 2021, to outline plans to build the Chipmunk Solar Project (the "Project"). The Public Information Meeting will be held at the Deer Creek Lodge, 22300 State Park Road 20, Mt. Sterling, Ohio 43143 from 6:00 - 8:00 p.m., in an open house format.

The proposed Project is located in Pickaway County, Ohio. The Project will use photovoltaic panels and have a maximum total project generating capacity of up to 400 megawatts. The general purpose of the Project is to maximize energy production from solar resources to deliver clean, renewable electricity to

the regional transmission system to serve the needs of electric utilities and their customers. Chipmunk Solar anticipates filing its application with the Ohio Power Siting Board in January 2021. Construction may begin as early as April 1st, 2023, with commercial operations beginning by November 30th, 2024.

Chipmunk Solar is also holding a virtual presentation on Wednesday, December 1, 2021 from 6:00 - 7:30pm. Details on how to participate in this virtual open house are available here:

- Toll-free number for public participation:
- Visual presentation online: EDFRenewablesVirtualMeeting.com
