December 7, 2021

Dear Ohio Power Siting Board 2021 DEC -8 PM 4: 07

My name is Andrea Williams, and I reside at 9886 Yankeetown Pike in Williamsport, Ohio. I am writing to formally and strongly oppose the Chipmunk Solar Project 21-0960-EL-BGN.

My main concerns have to do with safety and property value. Pickaway County, is a beautiful, agricultural community, and I see no value that this project can bring to our area. Additionally, this will have a negative impact on the wildlife in this area, specifically the seven nesting pairs of bald eagles in Pickaway County.

Please hear the voices of Pickaway County residents and do not approve Chipmunk Solar Project.

Respectfully,

  
Andrea Williams
