Dear Ohio Power Siting Board

Please do not allow Chickmunk
or any Solar company to come to our
Willemport community. There are
50 plus homes next to the
projected solar farm. None of these
families want to live next to a
solar farm. Most of the land segined
up is owned by people not living on
this land. Our family has lived here
70 years. We do not want our
farming community destroyed.
Please help us keep them out.

Sincerely

K. Barnes
