RE: Letter of Notification
Arboles 138 kV Station Project
Case No. 21-1084-EL-BLN

Dear Neighbor,

You are receiving this letter because public records show you own property or live near a proposed electric transmission project.

AEP Ohio representatives plan to build a substation off Perimeter Road, south of Piketon. Building the new substation allows crews to retire an existing substation and provide electric service to a customer. Company officials expect construction to begin May 2022 and conclude fall 2023.

We filed a Letter of Notification for this project with the Ohio Power Siting Board (OPSB) as the Arboles 138 kV Station Project, Case No. 21-1084-EL-BLN.

Please see Page 3 of this document for key regulatory information associated with this project.

You may provide comments by:

- Calling Brian Recker at (380) 205-5381
- Sending an email to brecker@aep.com
- Sending your comments directly to the OPSB at 180 East Broad Street, Columbus, Ohio, 43215-3793. You may also contact the OPSB at (866) 270-6772 or contactopsb@puc.state.oh.us. (Note: You can file petitions to intervene in the OPSB process to the siting board up to 10 days following the public notice announcing the project)

The following map shows the project area. Please use this map only as a general guide due to its reduced scale and limited detail.

Feel free to contact me and I am happy to answer any questions about this project.

WAVERLY

Continued from page B2

Eastern was able to make one final run at cutting into the lead. Abby Cochenour scored off a Waverly turnover and then followed with a three-pointer. Weaver had the next bucket, drawing a foul, but missing the ensuing free throw. However, Addison Cochenour grabbed the offensive rebound and was fouled, going to the line to add two more points, capping a 9-0 run that cut Waverly's lead to six, 40-34.

As the final three minutes of the third quarter unfolded, Waverly moved it back to 10 with back-to-back buckets from Stewart and Vulgamore, 44-34. Eastern cut it back to eight, 46-38, with a free throw from Gracie Fox and a triple from Weaver. Waverly had an additional free throw from Crabtree to finish the scoring.

Waverly claimed a double-digit lead for good early in the fourth quarter. Freshman Caris Risner started the scoring with a pair of free throws, followed by a bucket from Stewart and two more free throws from Little to make the lead 52-38.

Lydia Park and Addison Cochenour provided points to trim the Waverly lead slightly. Then the Lady Tigers closed the victory with a 14-4 run to finish off the 66-46 win.

As a team facing an uphill battle after not having many wins in the past few years, Eastern coach Darren King

knows his girls can break through. "We played hard for about two-and-a-half quarters. We have to get consistency. If we get to where we can put together four quarters, we are going to be okay. I really believe that," said King.

"Waverly played a good solid defense. That kept us from getting into our offensive sets. Then we just struggle when we can't get into our sets. You have to set up an offense and run it to be successful. We had a nice little run before halftime and cut it to nine. Then we got it back to six. Now we have to find that desire when we make a run that we can still keep taking it to our opposition."

Eastern was led in scoring by Abby Cochenour who finished with 21 points and seven steals. Weaver added 13 points. Addison Cochenour pulled down a game-high 23 rebounds, adding seven steals and seven points.

"It is always fun coaching against (Waverly coach) John (Bonifield). I like John and have known him for a long time. His kids play hard and well. Waverly is long and athletic. They get up and down the floor well," said King.

"My girls have improved so much. I see that and know what is there. I know we can get to where we are winning games consistently. The girls have to believe that, or it isn't going to change."

Eastern dropped to 2-6

overall and 0-5 in the SOC II. The Lady Eagles will head to Minford on Thursday.

Waverly's balanced scoring attack saw three players reach double figures.

Vulgamore provided 21 points, six rebounds and seven assists. Little added 19 points, four rebounds, four steals and two assists. Stewart had a double-double of 17 points and 11 rebounds, along with three assists. Morgan contributed five points and four rebounds.

"We are balanced in scoring with Ava, Bailey and Kelli. Going on the road and getting an SOC win isn't easy, so we'll take it. Eastern is playing hard and more together," said Waverly coach John Bonifield.

"We are dealing with some injuries. Sarah (Thompson) was out again tonight. That hurts us with rebounding. Our freshmen gave us good minutes tonight. We told them

we would need each and every one of them by the time the season was over, but we didn't think it would be quite this soon."

Freshman Caris Risner logged many minutes and provided four points, four rebounds, two assists and two steals. Aerial Tackett, Savannah South and Aubree Fraley all logged minutes as well.

"As the year goes on, you will see Caris improve and get more comfortable," said Bonifield, speaking about Risner. "As a freshman, this was her first significant minutes. When a freshman gets thrown into the fire, it takes a few reps to get used to it. Caris has great potential. She is aggressive and doesn't back down from anything. We like that."

Waverly improved to 4-2 overall with the

victory and 3-2 in the SOC II. The Lady Tigers will travel into Scioto County Thursday to Portsmouth West.

"We will have a tough one Thursday at West. It will be challenging," said Bonifield. "We are going to have to deal with their pressure and defend the three, because they shoot it really well. We will see if we can't steal a game on the road."

After printing this label:

1. Use the 'Print' button on this page to print your label to your laser or inkjet printer.
2. Fold the printed page along the horizontal line.
3. Place label in shipping pouch and affix it to your shipment so that the barcode portion of the label can be read and scanned.

Warning: Use only the printed original label for shipping. Using a photocopy of this label for shipping purposes is fraudulent and could result in additional billing charges, along with the cancellation of your FedEx account number.

Use of this system constitutes your agreement to the service conditions in the current FedEx Service Guide, available on [fedex.com](https://www.fedex.com). FedEx will not be responsible for any claim in excess of \$100 per package, whether the result of loss, damage, delay, non-delivery, misdelivery, or misinformation, unless you declare a higher value, pay an additional charge, document your actual loss and file a timely claim. Limitations found in the current FedEx Service Guide apply. Your right to recover from FedEx for any loss, including intrinsic value of the package, loss of sales, income interest, profit, attorney's fees, costs, and other forms of damage whether direct, incidental, consequential, or special is limited to the greater of \$100 or the authorized declared value. Recovery cannot exceed actual documented loss. Maximum for items of extraordinary value is \$1,000, e.g. jewelry, precious metals, negotiable instruments and other items listed in our Service Guide. Written claims must be filed within strict time limits, see current FedEx Service Guide.
