

THE PUBLIC UTILITIES COMMISSION OF OHIO

IN THE MATTER OF THE APPLICATION OF
ENERGY PRICE MANAGEMENT GROUP,
LLC FOR CERTIFICATION AS A
COMPETITIVE RETAIL NATURAL GAS
BROKER.

CASE NO. 19-1907-GA-AGG

ENTRY

Entered in the Journal on January 3, 2022

{¶ 1} On December 8, 2021, Energy Price Management Group, LLC (Energy Price) filed a renewal application for certification as a competitive retail natural gas service (CRNGS) broker.

{¶ 2} In accordance with R.C. 4929.20 and Ohio Adm.Code 4901:1-27-10, Energy Price's application is subject to a 30-day automatic approval process. Ohio Adm.Code 4901:1-27-10 further provides that, upon good cause shown, the Commission or an attorney examiner may suspend consideration of a certificate application. If an application for certification is suspended, the Commission shall act to approve or deny the application within 90 days of the suspension.

{¶ 3} Staff has requested that the automatic approval process be suspended to allow Energy Price additional time to provide information requested by Staff.

{¶ 4} The attorney examiner finds that good cause exists to suspend the 30-day automatic approval process with respect to Energy Price's renewal application for certification, in order that the Commission and Staff may review the matter further.

{¶ 5} It is, therefore,

{¶ 6} ORDERED, That the automatic approval process for Energy Price's renewal application for certification as a CRNGS broker be suspended until further ordered by the Commission. It is, further,

{¶ 7} ORDERED, That a copy of this Entry be served upon all parties of record.
