Retail Natural Gas Aggregator/Broker	)	
Aspen Energy Corporation	)	

**MOTION FOR EXTENSION OF CERTIFICATE EXPIRATION DATE**

Now comes Aspen Energy Corporation (hereinafter referred to as “Aspen”), by and through undersigned counsel, and respectfully requests this Commission grant an extension of the January 4, 2022 expiration date of the certificate issued to Aspen to act as and provide aggregator/natural gas broker services. Aspen did not file within the thirty to sixty (30-60) day advance window as set forth in the Ohio Administrative Code Rule 4901:1-24-09, nor was the application filed by the expiration date. Aspen had previously filed the Renewal Application on January 5, 2022 but did not request said Extension on the Certificate.

Aspen was granted initial authority to operate on January 4, 2014. Applications for Renewal and subsequent Certificates have been issued since this date. Inadvertently, Aspen failed to file the Certification Application for Natural Gas Aggregators/Brokers Renewal form timely. Since the last filing by Aspen, there have been no material or adverse changes in its financial or operational status or its ability to provide the services it seeks certification to provide Ohio customers. Aspen will continue to provide the Commission the information as required by the Commission regarding Aspen’s activities with Ohio customers. Aspen submits that there is no reason or circumstance that warrants suspension or rescission of its certificate. Aspen has and will faithfully continue to comply with all Ohio Rules and Regulations.

Respectfully submitted,
