Ohio Power Siting Board,

Re: Opposition to Chipmunk Solar Project 21-0960-EL-BGN

My name is Casey Pringle and I am a resident of Jackson Township in Pickaway County. I am writing you to express my opposition to the Chipmunk Solar project (Project 21-0960-EL-BGN) proposed for Pickaway county. My concerns are many, but to list a few:

- Potential health concerns that have not fully evaluated
- Environmental concerns
- Declining property values
- Negative effects to our local watersheds and wells
- Fire hazards from the electrical equipment
- Loss of agricultural land
- Waste left on agricultural land leaving the land useless

My understanding is that much of this land is being leased by absentee landowners without any regard for the residents of the area, I sincerely hope that those we have elected and those in the position to make these decisions do so regarding the residents that have put them in the positions they hold.

Sincerely,

Casey Pringle
