**RE: Case No. 21-1113-EL-BNR
Cannelville-Guernsey-Muskingum Co-Op 138 kV Transmission Line
Rebuild Project
Notice of Adjustment**

Dear Ms. Troupe:

After consulting with OPSB Staff, Ohio Power Company (“AEP Ohio” or the “Company”) provides the following notice of adjustment to the above referenced project.

The Company is proposing to shift the centerline approximately 30 feet from what was shown in the filing on November 22, 2021. However, the application text remains unchanged based on the proposed shift and does not affect any new property owners or impact any additional wetlands or streams. Attached is a map showing the proposed shift.

If you have any questions regarding this information, please do not hesitate to contact me.

Respectfully submitted,

/s/ Hector Garcia
