To whom it may concern,

I am writing this Request for an Administrative Hearing in the matter of offense 392.5A3. I discussed this matter during a conference and explained that I was unaware that I was breaking any law as this is not a law in my province (British Columbia) and that I will never again commit this offense. The alcohol was closed and not in the cabin or within my reach. I am requesting this hearing because I would strongly appreciate a second chance as I will never again make the same mistake. COVID-19 has limited my work significantly, and this fee will have a very negative affect on me and I would be incredibly appreciative to discuss this matter and hopefully have the fee reduced or waived. I have not been getting work to the USA, and because of that I will not be able to attend the hearing in person as I live in British Columbia, Canada. Please let me know if this hearing is virtual or in person.

Sincerely,

Paramjit S. Manhas
