Dear Members of the Ohio Power Siting Board:

I am writing you, the members of the Ohio Power Siting Board, to notify you that I would like to rescind my letter dated November 30, 2021, in support for utility-scale solar development in Logan County.

Although my letter did not support any individual solar project, I feel it is in the best interests of our citizens that I listen to the request of those residents that are directly impacted by the Fountain Utility Scale Solar Project. After seeing the location, size, and scope of the Fountain project, it is not right for our community.

I understand my original letter will remain in the project folder but would ask that this letter is as accessible to the public.

Thank you,

Sincerely,

A handwritten signature in blue ink, appearing to read "Paul Benedetti", with a long horizontal flourish extending to the right.

Paul Benedetti,  
The Logan County Board of Commissioners
