**BEFORE
THE PUBLIC UTILITIES COMMISSION OF OHIO**

Antuan Burrese-EI

Complainant,

v.

DUKE ENERGY OHIO, Inc.

Respondent.

Case No. 21-0298-GA-CSS

**REQUEST FOR MOTION FOR
EXTENSION OF TIME**

Notice: Motion for Request for Extension of Time

Now comes Antuan Burrese-EI requesting for a Motion for Extension of Time for my delayed response to Duke Energies May 18, 2021 Motion to Dismiss. I, am not claiming to be a professional esquire who has years of law school and a bar license. I, am not claiming; I understand all legalese, therefore I, am only defending myself and my common law rights afforded to me by the constitution to enjoy my rights to Life, Liberty, and Pursuit of happiness. I will be honored if I have more time to prepare a proper response to DUKE ENERGY MOTION TO DISMISS filing.

Complainant was granted the opportunity of ALTERNATIVE DISPUTE RESOLUTION MEDIATION/ ARBITRATION with Duke Energy which took place virtually on June 2, 2021 and Duke representatives requested a 2nd MEDIATION done on August 23, 2021. I was under the impression that the Motion to Dismiss was overruled by the PUCO.

I am extremely grateful for this opportunity to voice my sentiments and axioms to show theirs is no impairment from me or impiety in my pleadings. But I am required to use laws to help me keep my case open and moving forward and from falling on death ears and dismissed for lack of not following procedures.

1. Complainant's case is in the interest of justices and the public. Please let the record reflect that no harm to the public will result from my delay in requesting an extension of time in response to Dukes Motion to Dismiss.
2. Ohio Adm.Code 4901 extension of Time to file pleadings or other papers may be granted upon any motion of any party for good cause shown, or upon motion of the commission, the legal director, the deputy director, or a attorney examiner.
3. Complainant also reference Ohio Adm.Code 4723-16-03 (E) Except as otherwise provided in Chapter 119. of the Revised Code or rules of the board, any motion or request for an extension of time in which to file a motion, brief, or objection, unless made upon the record at the hearing, shall be made in writing and filed with the board.

This is to certify that the images appearing are an accurate and complete reproduction of a case file document delivered in the regular course of business.

(F) No motion for an extension of time shall be granted by the board, board hearing committee or the hearing examiner unless:

(1) The representative of record filing the motion makes a showing of reasonable cause and due diligence; and

(2) If the extension of time will result in a delay in the proceedings, the representative of record can show that no harm to the public will result from the delay in the proceedings.

I, say here, and will verify in open court, that all herein be true

CONCLUSION

WHEREFORE, having fully motioned the Commission, the legal director, the deputy director, or a attorney examiner. I Antuan Burrese-EI respectfully request that the board and or examiner grants the delayed Extension of time requested by Complainant against Duke Energy in good faith. Which sets forth reasonable grounds for good cause and due diligence for the PUCO jurisdiction and proper authority to process request for extension of time. I pray all actions that the laws and codes of Ohio provide shall be implemented in the interests of justice.

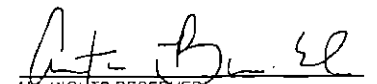

Respectfully submitted,

Antuan Burrese-EI
