Company to Update its Basic Transmission )	Case No. 22-41-EL-RDR
Cost Rider. )	

---

**MOTION OF INDUSTRIAL ENERGY USERS-OHIO  
TO INTERVENE AND MEMORANDUM IN SUPPORT**

---

Industrial Energy Users-Ohio ("IEU-Ohio") respectfully moves the Public Utilities Commission of Ohio ("Commission"), pursuant to R.C. 4903.221 and Ohio Adm.Code 4901-1-11, for leave to intervene in the above-captioned matter with the full powers and rights granted by the Commission, specifically by statute or by the provisions of the Ohio Administrative Code, to intervening parties.

On January 18, 2022, Ohio Power Company d/b/a AEP Ohio ("AEP Ohio") filed an Application to increase the charges to customers under the Basic Transmission Cost Rider ("BTCR"). IEU-Ohio's members include customers of AEP Ohio who pay the BTCR charges. Accordingly, resolution of this matter may directly affect rates paid by IEU-Ohio members. As demonstrated further in the Memorandum in Support, IEU-Ohio has a direct, real, and substantial interest in the issues and matters involved in the above-captioned proceedings and is so situated that the disposition of this proceeding may, as a practical matter, impair or impede its ability to protect that interest. IEU-Ohio believes that its participation will not unduly prolong or delay this proceeding and that it will significantly contribute to the full development and equitable resolution of the factual and

other issues. The interests of IEU-Ohio will not be adequately represented by other parties to the proceeding and, as such, IEU-Ohio is entitled to intervene with the full powers and rights granted by the Commission, specifically by statute and by the provisions of Commission rules to intervening parties.

Respectfully submitted,

/s/ Matthew R. Pritchard

**MEMORANDUM IN SUPPORT**

---

In support of this Motion to Intervene, IEU-Ohio states that it is an association of ultimate customers. IEU-Ohio's members purchase substantial amounts of electric and related services from Ohio's electric distribution utilities ("EDU"), including from AEP Ohio.

IEU-Ohio's members work together to address matters that affect the availability and price of utility services. Additionally, IEU-Ohio seeks to promote customer-driven policies that will assure an adequate, reliable, and efficient supply of energy for all consumers at competitive prices. To this end, IEU-Ohio has worked and will continue to work to produce legislative, regulatory, and market outcomes that are consistent with the State policy contained in R.C. 4928.02.

IEU-Ohio has a real and substantial interest inasmuch as this proceeding may directly or indirectly impact the provision of electric service to IEU-Ohio members' manufacturing facilities. Specifically, IEU-Ohio's direct interest in this proceeding is the result of the effect that this proceeding shall have upon the price, adequacy, and reliability of the electric supply and related services within Ohio.

Respectfully submitted,

/s/ Matthew R. Pritchard
