Re: Chipmunk Solar Project -- Case 21-0960-EL-BGN

Please DO NOT approve the proposed Chipmunk Solar Farm (Case #21-0960-EL-BGN).

I live in the country to be able to enjoy peace and quiet and a wonderful view from my home. That will all be gone if this Solar Farm is approved and built near my home.

The enclosed pictures reflect the following:

- #1 -- the view from my front yard
- #2 -- partial map of the Chipmunk Project with my house shown across for a planned staging area
- #3 -- pictures of the staging areas in the approved Yellowbud Solar Farm in Pickaway and Ross counties.

Please reject the upcoming request for approval.

Thanks for your time and consideration.
