**Re: Case No. 15-1406-EL-CRS**  
**Major Energy Electric Services, LLC – Certificate No. 15-1007E**  
**Application Update**

Major Energy Electric Services, LLC (“Major”), a licensed Competitive Retail Electric Service Provider (CRES) in Ohio, hereby submits the following update to a previous 2016 investigation.

**1. New York Attorney General v. Major Energy Services, LLC (AOD 16-206 (2016)):**

- a. **State:** New York
- b. **Agency:** N.Y. Attorney General (AG)
- c. **Date Completed:** Pending
- d. **Status:** Pending
- e. **Entity:** Major Energy Services, LLC
- f. **Reference No.:** Investigation No. 2021060003
- g. **Description:** Alleged violations of Consumer Protection Laws.

Major is updating the above, previous disclosure relating to the NY AG matter ..... following extensive discussions with the AG and Via’s diligent efforts to settle, all material terms have come to an agreement -- except for monetary relief. Via was unable to agree to the monetary demand from the NYAG and the NYAG filed suit on January 19, 2022 (“Complaint”). The Complaint is based on historical acts of the former Major Energy owners. Via will continue to work with the NYAG to settle this historical, pre-acquisition Major Energy matter.
