**Re: Marathon Power LLC CRNGS Certificate No. 19-739G(1)**  
**PUCO Docket No. 19-2048-GA-CRS**

Dear Secretary McNeal,

This firm represents Marathon Power LLC whose Competitive Retail Natural Gas Supplier ("CRNGS") certification expired on December 19, 2021. Marathon has submitted a new application for CRNGS certification to the Public Utilities Commission of Ohio ("PUCO") as required by Rule 4901:1-27-04 governing expired certificates. Since Marathon filed its new CRNGS application less than 60 days after the expiration date of their prior certificate, we respectfully request that PUCO extend Marathon's previous CRNGS certificate during the pendency of the new application review as permitted by Rule 4901:1-27-04.

Thank you for your assistance in this matter.

Very truly yours,

Murray E. Bevan
