Good afternoon,

As the hearing scheduled in this matter is set for Tuesday (January 11) at 10:00 a.m., I wanted to touch base with everyone to make sure that we can hit the ground running on Tuesday. Instructions for logging into Webex should be sent to everyone on Monday and that email will contain instructions for logging in for the hearing. Also, as outlined in the scheduling entry issued on November 9, 2021, because the hearing is being conducted via Webex we will need to ensure that electronic copies of any documents that either party wishes to use during the hearing are shared with everyone (including me) prior to the hearing. I don't know if you all have been in touch and exchanged any documents but I don't believe I have seen anything come through my email. So, if Staff or the Respondent have any documents that they intend to use at the hearing on Tuesday, please ensure that they are emailed to everyone in this message prior to the hearing.

Thanks in advance for everyone's cooperation with the electronic nature of the hearing.

Take care,
-David
